Amazon.ca

The final decade of the nineteenth century possesses a power to intrigue and fascinate that seems only to grow with time. More than a mere decade, the 1890s continues to inspire works of both fiction and non-fiction. It is a period known by many names - fin-de-siecle, Decadent Nineties, the Beardsley Years, the Yellow Decade, even the Naughty Nineties - and

# Access Free A Carnal Medium Fin De Si Cle

populated by a coterie of literary and artistic icons whose work captured the spirit of the passing age. Despite a number of important developments in photography during this time, the subject has tended to be treated in isolation from this surrounding culture. The seven essays in this book on the subject of nude photography were published in *The Studio*, *The Photogram* or the *Photographic Times* between June 1893 and September 1898, and although their focus is on practical photography, the three authors make frequent allusions - veiled or

# Access Free A Carnal Medium Fin De Si Cle

explicit - to the wider world of arts and letters. A scholarly introduction by James Downs clearly shows how these essays formed part of a larger conversation about aesthetics, sexuality and representation in art at the turn of the last century.

First biography of the remarkable and hugely admired artist, Joseph Pike. Author aided by artist's family including his grandson, Hugh Salmon, (founder of [www.Lovereadings.co.uk](http://www.Lovereadings.co.uk)), giving access to personal details and illustrations. The first of

# Access Free A Carnal Medium Fin De Si Cle

its kind, Joseph Pike: The Happy Catholic Artist is a detailed biography of the popular artist of the same name. A master of the art of pencil drawing, Pike produced evocative sketches and illustrations that were commissioned by authors, architects and publishers, reproduced in books and on postcards, sold as prints and even exhibited on the walls of the Royal Academy. When he died in 1956, the Catholic Herald referred to him as 'a distinguished artist', though until this biography, little has been written about his life and work. Aided by the artist's family, the book

# Access Free A Carnal Medium Fin De Si Cle

also contains rare personal details and illustrations not found elsewhere. Joseph Pike reveals the man behind the art, following the artist's life and career through the decades and exploring how both were shaped by historical circumstances - such as two world wars - and developments in the publishing world and printing technology. The book also explores his devout Catholic side and how his religious life and contacts with leading figures in Catholic cultural life such as Ronald Knox affected his career. The author is able to write

# Access Free A Carnal Medium Fin De Si Cle

about this subject with accuracy and vivid insights, drawing on a decade of personal experience of monastic life. As the renowned journalist Raymond Sawkins (who published many books under the penname Colin Forbes) said, Joseph Pike was 'an artist of unusual merit... Pike has recorded with outstanding ability the architecture of all periods which exists in contemporary Britain.' The biography will appeal to readers interested in art and history, as well as those with an interest in Catholic religion and culture.

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. Moving images of the British monarchy are almost as old as the moving image itself, dating back to an 1895 American drama, *The Execution of Mary Queen of Scots*. And from 1896, actual British monarchs appeared in the new 'animated photography', led by Queen Victoria. Half a century later the 1953 coronation of Elizabeth II was a milestone in the adoption of television, watched by 20 million Britons and 100 million North Americans. At the century's end, Princess

Diana's Funeral was viewed by 2.5 billion worldwide. In the first book length examination of film and television representations of this enduring institution, distinguished scholars of media and political history analyze the screen representations of royalty from Henry VIII to 'William and Kate'. Seventeen essays by Ian Christie, Elisabeth Bronfen, Andrew Higson, Karen Lury, Glynn Davies, Jane Landman and other international commentators examine the portrayal of royalty in the 'actuality' picture, the early extended feature, amateur cinema, the movie

# Access Free A Carnal Medium Fin De Si Cle

melodrama, the Commonwealth documentary, New Queer Cinema, TV current affairs, the big screen ceremonial and the post-historical boxed set. A long overdue contribution to film and television studies, this book will be essential reading for scholars and students of British media and political history.

The first of its kind, Joseph Pike: The Happy Catholic Artist is a detailed biography of the popular artist of the same name. When he died in 1956, the Catholic Herald referred to him as 'a distinguished artist', though until this

biography, little has been written about his life and work.

James Joyce and Photography is the first book to explore in-depth James Joyce's personal and professional engagement with photography. Photographs, photographic devices and photographically-inspired techniques appear throughout Joyce's work, from his narrator's furtive proto-photographic framing in *Silhouettes* (c. 1897), to the aggressively-minded 'Tulloch-Turnbull girl with her coldblood kodak' in *Finnegans Wake* (1939). Through an exploration of Joyce's manuscripts and

# Access Free A Carnal Medium Fin De Si Cle

photographic and newspaper archival material, as well as the full range of his major works, this book sheds new light on his sustained interest in this visual medium. This project takes Joyce's intention in *Dubliners* (1914) to 'betray the soul of that hemiplegia or paralysis which many consider a city' as key to his interaction with photography, which in his literature occupies a dual position between stasis and innovation.

This book explores manifestations of physical disability in Spanish American narrative fiction

# Access Free A Carnal Medium Fin De Si Cle

and performance, from José Martí's late nineteenth century crónicas, to Mario Bellatín's twenty-first century novels, from the performances of Guillermo Gómez-Peña and Coco Fusco to the testimonio and filmic depictions of Gabriela Brimmer.

This project studies the patterns in which the Medusa myth shapes, constructs, and transforms new meanings of women today, correlating

# Access Free A Carnal Medium Fin De Si Cle

portrayals in ancient Greek myth, nineteenth-century Symbolist painting, and new, controversial, visions of women in contemporary art. The myth of the Medusa has long been the ultimate symbol of woman as monster. With her roots in classical mythology, Medusa has appeared time and again throughout history and culture and this book studies the patterns in which the Medusa myth shapes, constructs, and transforms new meanings of women today. Hedgecock presents an interdisciplinary and broad historical "cultural reflections" of the modern

# Access Free A Carnal Medium Fin De Si Cle

Medusa, including the work of Maria Callas, Nan Goldin, the Symbolist painters and twentieth-century poets.

This timely and necessary work will be key reading for students and researchers specializing in mythology or gender studies across a variety of fields, touching on interdisciplinary research in feminist theory, art history and theory, cultural studies, and psychology.
