Review: A Woman Killed With Kindness - A Younger Theatre
I read A Woman Killed with Kindness by Thomas Heywood in an anthology of plays, but what a tremendous work. I am definitely a romantic and somewhat of a sucker for works like this, but I could not put the play down. It is a gorgeous play full of pathos with sublime poetry. It reminds me of Shakespeare's best work and of Alcestis by Euripides.

Arden of Faversham * A Woman Killed with Kindness * The Witch of Edmonton * The English Traveller In about 1590, an unknown dramatist had the idea of writing a tragedy about the lives of ordinary people, instead of the genre's usual complement of kings and queens and politicians. His play, Arden of Faversham, inaugurated a new genre of 'domestic' drama, set in near-contemporary England and concerned with issues of marriage, crime, and property rather than war and power. Arden dramatizes a notorious murder case of forty years earlier, in which a wealthy husband was killed by his wife and her lover. In Thomas Heywood's A Woman Killed with Kindness, a wife is caught by her husband in bed with his best friend, only to find that he takes unusual reprisals. The Witch of Edmonton combines a true-life story of witchcraft with a fictitious tale of bigamy and wife-murder, and The English Traveller deals with the unexpected and unwelcome changes people find when they return home after a lengthy absence. Part of the Oxford English Drama series, this edition has modern-spelling texts; a critical introduction that outlines the way all four plays raise powerful and complex questions about the English society in which their tragic events unfold; wide-ranging notes; a chronology of the plays from their sources to recent performance; and appendices relating to two of the plays: who wrote Arden of Faversham and when did Heywood write The English Traveller. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

A Woman Killed with Kindness is an early seventeenth-century stage play, a tragedy written by Thomas Heywood. Acted in 1603 and first published in 1607, the play has generally been considered Heywood's masterpiece, and has received the most critical attention among Heywood's works. Along with the anonymous Arden of Faversham, Heywood's play has been regarded as the apex of Renaissance drama's achievement in the subgenre of bourgeois or domestic tragedy. The play was originally performed by Worcester's Men, the company for which Heywood acted and wrote in the early Jacobean era. The records of Philip Henslowe show that Heywood was paid 6 for the play in February and March 1603. The 1607 quarto was printed by William Jaggard for the bookseller John Hodgets. A second quarto was issued in 1617 by William Jaggard's son Isaac Jaggard.The plot of Heywood's play derives from an Italian novel by Illicino, which was translated into English and published in The Palace of Pleasure by William Painter (1566). The play tells the story of a married couple, Master Frankford and his wife Anne. Frankford invites Wendoll into his home to act as a companion. Frankford tells Wendoll that anything in his house is at Wendoll's disposal. Wendoll then chooses to pursue Frankford's wife, Anne. Anne is quickly wooed by Wendoll and then caught by Frankford. Frankford then chooses to punish her not with death but with ostracism—a "mild" sentence for her adultery. By the end of the play, Anne chooses self-starvation as a more appropriate form of punishment. As she is dying because of her self-starvation, Frankford reunites with his wife, which restores the social and patriarchal order at the end of the play. The adulterous wife, Anne Frankford, is contrasted with the virtuous Susan Mountford. In the play's subplot, Sir Charles Mountford attempts to prostitute his sister Susan to Sir Francis Acton (Anne Frankford's brother), to whom he is deeply in debt. Susan, however, retains her virtue. In the end, Acton discharges the debts of Mountford and marries Susan.Early Modern Elizabethan and Jacobean views of fasting or self-starvation were often hearkened to old Medieval views which considered a woman's fasting a visual cue to a woman's obedience, chastity, and honour. Eating, bingeing, or gluttony were considered to be fundamentally connected with sexuality. According to several Early Modern conduct book writers, the sin of gluttony will inevitably lead to lust, and several of these tract writers suggested female fasting should be a part of a woman's education as it would prove her to be a better wife and mother. Thomas Heywood (early 1570s - 16 August 1641) was a prominent English playwright, actor, and author. His main contributions were to late Elizabethan and early Jacobean theatre. He is best known for his masterpiece A Woman Killed with Kindness, a domestic tragedy, which was first performed in 1603 at the Rose Theatre by the Worcester's Men company.He was a prolific writer, claiming to have had "an entire hand or at least a maine finger in two hundred and twenty plays," although only a fraction of his work has survived... Katharine Lee Bates (August 12, 1859 - March 28, 1929) was an American songwriter. She is remembered as the author of the words to the anthem "America the Beautiful." "Here lies she whom her husband's kindness killed" This is the epitaph, in golden letters, Master John Frankford proposes for the tomb of his wife, Anne, who has just starved herself to death. Frankford congratulates himself on the clever means by which he has brought his wife to repentance-and got rid of her. The marriage is comfortable, if uneventful, until Frankford gives his friend Wendoll the free use of his table and purse. When Wendoll takes even more than was offered, and confesses his desperate love to Anne, a complex and tragic drama ensues. Praised as Heywood's best play and as the best "domestic tragedy," A Woman Killed with Kindness (1603) requires us to consider who and what the household includes and on what conditions. What are the limits of hospitality? What are the relationships between friendship and marriage, intimacy and possession? This student edition contains a fully annotated version of the playtext in modern spelling. The Introduction includes a detailed discussion of the play's interpretation and stage history.

In this searing exploration of deadly codependency, the author takes the reader on a spellbinding voyage of discovery that examines the questions: Are some people naturally too caring? Is caring sometimes a mask for darker motives? Can science help us understand how our concerns for others can hurt everything we hold dear? This gripping story brings extraordinary insight to our deepest questions. Is kindness always the right answer? Is kindness always what it seems?
