World History: Patterns of Interaction © 2012 is a highly integrated, high school world history textbook program with enhanced HISTORY® curriculum that provides teachers with a practical and motivational approach to help students think critically and reflectively. Together, HMH & HISTORY® infuse social studies with streaming video and interactive features that bring content to life for students and help them make connections between the past and present. Meeting the needs of all learners is no easy task. This is why Houghton Mifflin Harcourt created World History: Patterns of Interaction. Designed to engage students with the narrative while integrating rich multimedia assets, the program brings content to life for students and enriches their understanding. - Publisher.

Building Vocabulary from Word Roots helps students unlock the meaning of over 60% of the words they encounter in the classroom and beyond with a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Students are introduced to one new root per lesson and this full-color Student Guided Practice Book is filled with daily activities to ensure that they learn the root and the many English words it generates.

Students analyze three children's books using key skills from the Common Core. Close reading of the text is required to answer text-dependent questions. Included are student pages with the text-dependent questions as well as suggested answers.

Easy-to-use guide that helps elementary and middle school students develop their Internet skills while keeping safe Most school-age children use the Internet every day. However, many possess naive attitudes about their online safety and can inadvertently engage in a range of high-risk behaviors. Developed by i-SAFE™, the leading nonprofit organization dedicated to Internet safety education, this important resource offers a series of fun lessons and teachers' guides to help students in grades K-8 learn how to stay safe online. Filled with activities, the book shows young children how to have fun online while keeping safe From i-SAFE™ the organization dedicated to Internet safety education Topics include basic Internet safety, protecting personal information, preventing cyberbullying, avoiding predators, netiquette, and much more This is a must-have book that teachers and parents can use to help kids become Internet-savvy.

Refresh your approach to teaching reading comprehension with these original guided and whole-class reading activities for the primary classroom. Running out of ways to get children engaged in reading comprehension? Or are you looking to help reluctant readers discover the magic of books? This book is for you! Reading Recharged includes a wide range of creative ideas, top tips and photocopiable activities for KS1 and KS2, and covers all seven reading skills from the National Curriculum (vocabulary, inference, summarising, predicting, commentating, author choice and retrieval). Designed to spark a love of reading for pleasure, the activities range from an intriguing lie detection task for teaching characterisation to synonym snakes and ladders for practising word choices. Whether you're teaching whole-class guided reading or using the carousel format, this book provides advice on structuring your session, as well as tried-and-tested ways to run it successfully. Experienced primary teacher and literacy resource creator Alex Barton shares his top teaching activities to engage and enthuse young readers so you can teach reading with creativity and confidence.
