## Breaking You

Break you in. The break someone in is the sort of statement that only a slutty and predatorial female would say about what she wants to do to a usually younger guy because she thinks its fun and purely because of that. She doesn't care if he is ready but inadvertently it may make the guy either

Breakups are tense and emotional situations. You never know how the other person might react, and how you'll respond as a result, so it's always good to plan ahead. Plan to do the break up in person out of respect for them. This also makes it easier to communicate your reasons and finalize your decision.

How to break up with someone you love: 10 no bullsh\*t ...

Breaking the Mould The NEU worked with five primary schools over two years to consider how 'traditional' gender stereotypes could be challenged in nursery and primary classrooms. We're very proud to be adding to the Union's Breaking the Mould series of resources, which support nursery and primary phase teachers to think about what books they are using in their classrooms.
