Seinfeld is an American sitcom television series created by Larry David and Jerry Seinfeld for NBC. As a comedian rising in popularity in the late eighties, Seinfeld was presented with an opportunity to create a show with NBC. Seinfeld asked fellow comedian and friend Larry David to help create a premise for a sitcom. The show stars Seinfeld as a fictionalized version of himself, and mostly focuses on his personal life with a handful of friends and acquaintances, including best friend George Costanza (Jason Alexander), friend and former girlfriend Elaine Benes (Julia Louis-Dreyfus), and neighbor across the hall Cosmo Kramer (Michael Richards). Seinfeld is set predominantly in an apartment building in Manhattan's Upper West Side in New York City. It is often described as being "a show about nothing", as many of its episodes are about the minutiae of daily life. Are you a fan of Seinfeld There's only one way to find out! Whether you're the ultimate superfan, or a casual viewer who enjoys a bit of trivia, this is the perfect book for you. With sections on characters, places, episodes and names plus much more, you'll enjoy this book whether you buy it to test your own knowledge or to play with friends.
