6.2 Administration Guide
EMC Data Domain Archiver

Online Library Emc Data Domain Administration

consists of an EMC Data Domain controller with the DD Archiver configuration, the DD Archiver license, and a shelf capacity license for each storage shelf. If the DD Archiver feature is not enabled, the system behaves

Online Library Emc Data Domain Administration

as a standard DD controller of the same model, with its specified maximum usable storage capacity.

Administration Guide

EMC Data Domain Boost (DD

Online Library Emc Data Domain Administration

Boost) enables backup servers to communicate with storage systems without the need for Data Domain storage systems to emulate tape. The software has two components: LDD Boost libraries that you install on each backup

Online Library Emc Data Domain Administration

server to integrate with the
DD Boost server that runs on
the Data Domain system.
