**5th Grade Vocabulary Words Flashcards - Study.com**  
Flashcards are one of the most effective ways for motivated learners to study and retain factual knowledge. Students who use flashcards: engage a mental faculty known as active recall (remembering a concept from scratch rather than staring at a passage in a textbook); engage metacognition (by looking at the answer on the back they reflect on how well they answered compared to the correct answer on the back), and this metacognition tends to ingrain memories deeper into your knowledge;
