tools, materials, costs and legalities; insulation, carpet lining and flooring; fitting a pop-top roof and windows; building interior units, doors and drawers; fitting a rock and roll bed, roof beds and swivel seats, and finally, installing water, gas and electricity, with safety at the forefront. Fully illustrated with 435 colour photographs and step-by-instructions.

So, you want to buy a campervan - or maybe you are still just dreaming about it: I totally understand. Owning your own campervan is beyond brilliant but, what sort of van do you buy? Or maybe you are going to take the brave step of converting your own van and are not sure where to start. You are probably going to spend a fair amount of your savings on this purchase, so you want to get it right. And you want to find a campervan that you will love and who loves you back. If this is a new world to you, it can be hard to even know what the options are. If you are an experienced camper there are still so many questions you need to ask yourself before you even begin looking at actual vehicles. Questions like: What is my camping style?, What is the best base vehicle for me?, What sort of interior suits my style of camping?, How will I power my van?, plus lots of other questions that will help you find the perfect van for you. "I Want a Campervan" talks you through all these questions and is your friend and guide on this amazing new journey that you are starting. So, take a big breath, find a great campervan and go live the dream! Summer Bourne writes a blog and books on the campervan life including cookbooks for camping meals. With her partner, Glyn, she has owned a Toyota micro camper and they have now converted a Vauxhall Vivaro panel van into a campervan called 'Big Red'.

This revised and expanded third edition updates the story across six generations of the VW Bus and includes additional information and pictures, including more conversions, as well new information about the very early years and the latest models. Using archive and period brochure images, and photographs of original-condition models still surviving to illustrate the detailed text, it documents the various specifications, layouts, fitments and optional equipment of over forty different conversion companies, from well-known names like Devon and Westfalia, to lesser-known or unusual models such as Slumberwagen and Arcomobil. Since publication of the first edition in 2005, followed by a revised, expanded edition in 2012, VW Camper - The Inside Story has been acclaimed by enthusiasts and lovers of the VW Camper, and has become a definitive guide to the many different camping conversions built on the VW Transporter and Microbus.
