ACDelco is an American automotive parts brand owned by General Motors. Factory parts for vehicles manufactured by GM are consolidated under the ACDelco brand, which also offers aftermarket parts for non-GM vehicles. Over its long history it has been known by various names such as United Motors Corporation, United Motors Service, and United Delco. The brand "ACDelco" should not be confused with GM's former AC Delco Systems, formed in 1994 from the merger of AC Rochester Division and Delco Remy Di

ACDelco - Wikipedia

After United Motors were acquired by General Motors Corporation, General Motors set-up a wholly-owned subsidiary, UNITED MOTORS SERVICE, INC. which provided service for Delco, Remy, Klaxon, New Departure, Hyatt and AC Speedometers in the U.S. and also later Canada, though there was

General Motors Delco Remy Service Manual 12

The Delco-Remy Division of General Motors kept the electrical related patents as it continued with that product line. Therefore, in the lists below there is a mixture of two companies' patents. Of note are patents not only by the Remy Brothers, but C.F. "Boss" Kettering of Delco. The list of patents is courtesy of Tom George.
