During these dangerous and uncertain times, its easy to find ourselves feeling afraid. And there is nothing the enemy enjoys more than seeing Gods people live in fear. But we dont need to be afraid! God knows what lies ahead in these last days, and He has everything we need to see us through to victory. Kellie Copeland Swisher, daughter of Kenneth and Gloria Copeland, has a heart for the safety of our children. She outlines important keys to keeping you and your family safe during the uncertain days ahead. These life-changing principles will place you under divine protection as you learn: *What it means to plead the blood of Jesus *How to release angels to operate on your behalf *How to listen to your spirit *How to live in peace. We are at war with the enemy like never before. Just because we are Christians, doesnt mean Gods protection is automatic. Like all the other promises of God, we must exercise our faith in order to walk in the fullness of His protection. Now is the time to stand firm on Gods Word and start protecting your family today!

Written by an elder law attorney with over 23 years experience, this book will help anyone with a family member faced with a long-term stay in a nursing home who wishes to preserve at least some of their assets by qualifying for the Medicaid program. You dont have to be broke to qualify! For the first time ever, the inside secrets of high-priced estate planning and elder law attorneys are revealed. Includes a summary of all income and asset rules for both married and single individuals, together with numerous examples and several case studies, which take the reader through the same thought processes that an experienced elder law attorney would go through when analyzing a real-life clients situation. The book includes tips on: how to title your home so you do not lose it to the state; how to make transfers to family members that wont disqualify you from Medicaid; how annuities make assets disappear; smart tricks for spending down your assets; what to change in your will to save thousands of dollars if your spouse ever needs nursing home care; avoiding the states reimbursement claim following the nursing home residents death; and much more. Completely up-to-date, the book includes the massive changes made by the Deficit Reduction Act of 2005 as well as the December 2006 Tax Relief and Health Care Act amendments.

Your parents taught you to look both ways before crossing the street. Now, learn the rules of the road--and help protect yourself online with Internet child-safety authority Linda Criddle. Using real-life examples, Linda teaches the simple steps you and your family can take to help identify and avoid Internet dangers--and still enjoy your time online. Help protect your family and learn how to: Blog, instant message, and play games without inadvertently revealing personal information Take safety precautions if you participate in online dating Recognize and avoid phony e-mail, instant messages, and Web sites Project an attitude online that can help detract potential predators Talk about safe Internet practices with your family Report abuses and suspicious activities to the proper authorities

Renowned defense instructor Dave Young teaches police and military units self-defense and home-defense tactics; his book *How to Defend Your Family and Home* puts this long-overdue information into the hands of civilians so they can protect themselves before police arrive on the scene. Learn the psychology of a home invader, how they select targets and what you can do to keep them out. If a stranger knocks at the door, learn what to look for to know if they're a threat and how to guard the entry so they can't get in. If you hear a bump in the night, Dave teaches how to know if it's an invader in your home and exactly what to do to ensure the survival of you and your family members. The book covers mental strength as well as escape tactics, hiding places and physical self-defense tactics if you have to fight the threat. Though guns should be used only as an absolute last resort, many of the book's readers undoubtedly have guns in their homes, so Dave touches on how to use one safely in an intense emotional situation. With seemingly more violent acts happening around the world and controversial stories of police on the news, more people are choosing to take their safety into their own hands. This book shows them how with tips, tactics, information and 60 photos that teach life-saving defense techniques to the everyday homeowner.

Why do so many families with a special needs member buy life insurance they cannot afford, does not meet their protection needs and does not create enough wealth for their families? This book seeks to answer the question and give families the tools to determine how much insurance they need, what they can afford and what type of policy to buy.

Revised and updated, Dr. Charles Stanley's well-loved *Life Principles* study guide series has taken on new life through refreshed content. Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world.

Covers the essentials of estate planning, details strategies for using a living trust to create a flexible estate plan, and explains the changes to the tax laws.

Provides instructions and guidelines for creating security strategies to protect against a potential failure of civilization, and includes tips on perimeter security, house fortifications, firearms and weaponry, and security animals.
