I want our love to cascade over the rough surfaces of our hearts and coat them with patience and forgiveness and gentleness. I want our love to reach to every person we know, to every city we travel to, to every moment we share together. And I want our love to reach to every broken piece, and make it whole again.

I want our love to respect us, to respect the beauty of what we create together. And though I want our love to be a fighter, the kind that pushes and battles and draws every weapon it has just to stay in the war against goodbyes, I want our love to know when to walk away. When to lay down its arms. When to let go. And if that happens, I want our love to be the kind of love that stains us.

I want our love to pour through us, pour over us, overflow and fill the hearts of every person we interact with. I want our love to be silly, to be crazy, to be big and bold and beautiful and everything that the world is not. I want our love to smile at strangers. I want our love to shine when we hold hands and walk down the street. I want us to laugh without caring. I want us to kiss and not hold back.

Love is never perfect, but nevertheless, you want to share your heart with somebody. This book talks about the success and the insecurities of love. How you want to hold on tightly to someone without making them feel smothered. How you want to make everything just right without having to try too hard all the time.

How you want to share you feelings without worrying that your feelings won

“An engrossing tale [that] provides plenty of food for thought” (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In *Edinburgh*, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as “happily ever after.” *The Course of Love* explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessness of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what we are reading. As *The New York Times* says, “*The Course of Love* is a return to the form that made Mr. de Botton’s name in the mid-1990s....love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page.” This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, *The Course of Love* is a provocative and life-affirming novel for everyone who believes in love. “There’s no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works” (*Chicago Tribune*).

In *The 5 Love Languages*, you will discover the secret that has

# File Type PDF I Want Our Love To Last Forever And I Know It Can If We Both Want

transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A

long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let

his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

The landmark bestseller that changed the way we think about love: "Every line is packed with common sense, compassion, and realism" (Fortune). *The Art of Loving* is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book's release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, *The Art of Loving* is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of *To Have or To Be?* and *Escape from Freedom*. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved

classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

Am I with the right person? Will our love last? Men and women in love are haunted by these questions. Love -- especially why it blossoms in relationships and why it later dies -- is a mystery to them. Will Our Love Last? A Couple's Road Map solves this mystery by giving readers a new understanding of love -- an understanding they can actually use to evaluate the soundness of their relationships and to answer confidently the crucial questions that mystified them before. Based on hundreds of cases in his twenty-four years as a marital therapist and twenty-nine years in his own happy marriage, Sam R. Hamburg, Ph.D., explains how compatibility is the key to lasting love. He shows how compatibility on three major dimensions -- the Practical Dimension, the Sexual Dimension, and the Wavelength Dimension -- is essential to the mutual understanding and affirmation that keep love alive, and he leads readers through a simple but systematic procedure for assessing their compatibility with a romantic partner in these crucial relationship areas. Dr. Hamburg introduces a new technique, The Hand Rotation Exercise, to help readers express their degree of compatibility and then convey that visually to their partner. In addition, he presents two new original techniques for working through relationship conflicts and coming to agreement on difficult issues: His Way/Her Way and The Long Conversation. Written in a clear, direct style that is free of jargon, Will Our Love Last? empowers readers to make important relationship decisions that are intellectually and emotionally informed. Will Our Love Last? will

# File Type PDF I Want Our Love To Last Forever And I Know It Can If We Both Want

help couples trying to decide if they should take the next step to a more committed relationship. It will aid individuals embarking on a new relationship, or who are between relationships, to evaluate the rightness of a new or prospective partner. And it will assist people who are already in committed relationships to make an honest assessment of their prospects for happiness with their current partner. People have it in their power to make sure that they truly are with the right person. Will Our Love Last? shows the way.

Don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. He shows us how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore the spirit of playfulness that is vital to loving relationships.

Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. Keep Your Love On reveals the higher, Jesus-focused standard defined by mature love--love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus. -- Danny Silk
