The highest possible Individual Score is 46. Four students may compete on a team, and there are 10 questions in the Team Round. Therefore, the maximum possible Team Score is $((46 + 46 + 46 + 46) \div 4) + 2(10) = 66$.

Because there is not official team component at the chapter, chapter invitational or state level, every student is considered an individual in the Competition Series this year.

Advancement is determined by individual scores at every level.
