Presents the essence of the scripture that forms the basis of India's spiritual culture and which is revered by 850 million people world-wide.

### Commentary on 'The Bhagavad Geeta' by Swami Mukundananda

For centuries, readers have turned to the Bhagavad Gita for inspiration and guidance as they chart their own spiritual paths. As profound and powerful as this classic text has been for generations of seekers, integrating its lessons into the ordinary patterns of our lives can ultimately seem beyond our reach. Now, in a fascinating series of reflections, anecdotes, stories, and exercises, Ram Dass gives us a unique and accessible road map for experiencing divinity in everyday life. In the engaging, conversational style that has made his teachings so popular for decades, Ram Dass traces our journey of consciousness as it is reflected in one of Hinduism's most sacred texts. The Gita teaches a system of yogas, or "paths for coming to union with God." In Paths to God, Ram Dass brings the heart of that system to light for a Western audience and translates the Gita's principles into the manual for living the yoga of contemporary life. While being a guide to the wisdom of the Bhagavad Gita, Paths to God is also a template for expanding our definition of ourselves and allowing us to appreciate a new level of meaning in our lives.

The Bhagavad Gita: one of three new editions of the books in Eknath Easwaran's Classics of Indian Spirituality series On this path, effort never goes to waste, and there is no failure. Even a little effort towards spiritual awareness will protec...

"A fresh, strikingly immediate and elegant verse translation of the classic, with an introduction and "Listener's guides" to each section, which expand in accessible terms on the text and what is happening between the lines."--Back cover.

## Download Ebook Our Most Dear Friend Bhagavad Gita For Children

The Bhagavad Gita is often regarded as the Bible of India. With a gripping story and deeply compelling message, it is unquestionably one of the most popular sacred texts of Asia and, along with the Bible and the Qur'an, one of the most important holy scriptures in the world. Part of an ancient Hindu epic poem, the dialogue of the Bhagavad Gita takes place on a battlefield, where a war for the possession of a North Indian kingdom is about to ensue between two noble families related by blood. The epic's hero, young Prince Arjuna, is torn between his duty as a warrior and his revulsion at the thought of his brothers and cousins killing each other over control of the realm. Frozen by this ethical dilemma, he debates the big questions of life and death with the supreme Hindu deity Krishna, cleverly disguised as his charioteer. By the end of the story, Eastern beliefs about mortality and reincarnation, the vision and practice of yoga, the Indian social order and its responsibilities, family loyalty, spiritual knowledge, and the loftiest pursuits of the human heart are explored in depth. Explaining the very purpose of life and existence, this classic has stood the test of twenty-three centuries. It is presented here in a thoroughly accurate, illuminating, and beautiful translation that is sure to become the standard for our day.

It's one of the oldest books in the world and India's biggest blockbuster bestseller! - But isn't it meant only for religious old people? - But isn't it very long... and, erm, super difficult to read? - But isn't the stuff it talks about way too complex for regular folks to understand? Prepare to be surprised. Roopa Pai's spirited, one-of-a-kind retelling of the epic conversation between Pandava prince Arjuna and his mentor and friend Krishna busts these and other such myths about the Bhagavad Gita. Lucid, thought-provoking and brimming with fun trivia, this book will stay with you long after you have turned the last page. Why haven't you read it yet?
