Does the identification number 60 indicate a toxic substance or a flammable solid, in the molten state at an elevated temperature? Does the identification number 1035 indicate ethane or butane? What is the difference between natural gas transmission pipelines and natural gas distribution pipelines? If you came upon an overturned truck on the highway that was leaking, would you be able to identify if it was hazardous and know what steps to take? Questions like these and more are answered in the Emergency Response Guidebook. Learn how to identify symbols for and vehicles carrying toxic, flammable, explosive, radioactive, or otherwise harmful substances and how to respond once an incident involving those substances has been identified. Always be prepared in situations that are unfamiliar and dangerous and know how to rectify them. Keeping this guide around at all times will ensure that, if you were to come upon a transportation situation involving hazardous substances or dangerous goods, you will be able to help keep others and yourself out of danger. With color-coded pages for quick and easy reference, this is the official manual used by first responders in the United States and Canada for transportation incidents involving dangerous goods or hazardous materials.

In this groundbreaking book, a leading clinical psychiatrist redefines how we think about and treat victims of trauma. A "stunning achievement" that remains a "classic for our generation." (Bessel van der Kolk, M.D., author of *The Body Keeps the Score*). *Trauma and Recovery* is revered as the seminal text on understanding trauma survivors. By placing individual experience in a broader political frame, Harvard psychiatrist Judith Herman argues

that psychological trauma is inseparable from its social and political context. Drawing on her own research on incest, as well as a vast literature on combat veterans and victims of political terror, she shows surprising parallels between private horrors like child abuse and public horrors like war. Hailed by the New York Times as "one of the most important psychiatry works to be published since Freud," *Trauma and Recovery* is essential reading for anyone who seeks to understand how we heal and are healed.

The little village of Rough and Ready in Upper Mahantongo Township, Schuylkill County, PA is set in the center of the Mahantongo Valley, famous for its Pennsylvania Dutch culture -- especially the painted furniture. This book focuses on the social history of the village, anchored by information from the 1850 census and Salem Reformed Church cemetery records. This was the famous Isaac F Stiehly's church and most of the families mentioned were in his congregation. The book contains hundreds of photos, most over 100 years old, of life in the Valley. Secret Service Agent Mike Byrne is too late ... Too late to save the one man who knew the truth - the star witness who was about to blow the whistle on the biggest banking scandal in history. Too late to stop an innocent man from dying, and so plunging the world of high finance into a death spiral of violence and murder. Because payback for bankers who gambled with other people's money is being handed out in bullets and bombs. And now the only person who can keep the bankers alive is Agent Byrne, who finds himself having to protect the very people he swore to take down. Before long Byrne is locked into a deadly fight with an unseen enemy - an enemy that will stop at nothing to get what they want.
