But sociology can do more than simply help to locate you or others in this simple sense of describing the places of different social groups. As C.Wright Mills, a well-known American sociologist has written, sociology can help you to map the links and connections between “personal troubles” and “social issues”. By personal troubles Mills means the kinds of individual worries, problems ...

Sociology of Indian Society, authored by famous sociology writer C.N. Shankar Rao, is a very useful book for students of sociology and candidates preparing for Union Public Service Commission examination and other competitive as well as State Administration Examinations.

This textbook has been comprehensively written to acquaint the students with the fundamental concepts of sociology as well as provide an introduction to the diverse field of sociology. Students will be introduced to the origins of sociology as a discipline and would get acquainted with relevant topics such as inequality, institutions, control, change, disorganisation & problems in the society. Topics such as applied sociology and social thought have also been provided to give a complete overview of the subject. This textbook not only caters as a primary text to the undergraduate students of Sociology but is also a useful reference for postgraduate students and aspirants appearing for various competitive examinations.

The revision comes 10 years after the first edition and completely overhauls the text not only in terms of look and feel but also content which is now contemporary while also being timeless. A large number of words are explained with the help of examples and their lineage which helps the reader understand their individual usage and the ways to use them on the correct occasion.

The third, expanded edition of this well-known text on sociology has detailed analyses of the economic system, industry, population and food supply. Importance has been given to forces such as industrialisation and the Green Revolution that have helped to shape modern India. A comprehensive text, useful to both teachers and students.

This book entitled 'Indian Social Problems: A Sociological Perspective' provides a glimpse of many social problems that have been haunting the Indian society since years, decades, and even centuries. Though India is fast developing, it has lots of regional, cultural, linguistic and religious diversities. These diversities are also reflected in its social problems. This book covers social problems which are general in nature

Download Free Sociology Shankar Rao

and common to the whole nation such as population problem, poverty, unemployment, child labour, urbanization, youth unrest, problems of the aged, family disorganization, corruption, crime and delinquency, etc. This book is prepared mainly to cater to the needs of the undergraduate and postgraduate students. Most of the universities in India have prescribed one paper on 'Indian Social Problems' either at the undergraduate or postgraduate level. The book also covers topics that are included in the syllabi of IAS, NET, SLET, KAS and other national- and state-level competitive examinations. It also contains lessons that form part of MBA, nursing and fiveyear law courses. Such students and examinees will definitely find the book highly helpful.

Mastering Modern European History traces the development of Europe from the French Revolution to the present day. Political, diplomatic and socio-economic strands are woven together and supported by a wide range of pictures, maps, graphs and questions. Documentary extracts are included throughout to encourage the reader to question the nature and value of various types of historical evidence. The second edition brings us fully up to the present day. Chapters on European Decolonisation, Communist Europe 1985-9, and European Unity and Discord have been added, and others have been substantially rewritten. An even wider range of illustrations and documentary source questions are included. The book is presented in a readable and well ordered format and is an ideal reference text for students.

The bravest and most successful attempt yet to bring what is happening in academic sociology to the A-level market.' - Tony Breslin, Times Educational Supplement
