Stats: Modeling the World, Teacher's Edition,  
AP\* Edition ... The book is an excellent  
introduction to statistics. It provides  
plenty of examples to show how to apply  
statistics instead of just formulas. I did  
have to summarize each chapter in outline  
form to become aware of the main points and  
apply them more quickly.

Modeling the World leads with practical data analysis and graphics to engage students and get them thinking statistically from the start. Through updated, relevant examples and data—and the authors' signature Think, Show, and Tell problem-solving method—students learn what we can find in data, why we find it interesting, and how to report it to others.
