Retirement portfolios-it has become essential to understand the finer points of our financial life...

?The Investors Manifesto: Preparing for Prosperity ...

That's why best-selling author William Bernstein - a grassroots hero to independent investors - has written The Investor's Manifesto. Approaching the problems of investing and saving from the perspective of someone who has had to figure it out for himself, Bernstein knows firsthand how difficult these endeavors can be - especially for those with little professional experience in this arena.
