An anthology of critical assaults on well-known composers and their works written by the late Nicolas Slonimsky--writer, lexicographer, pianist, composer, conductor, teacher, and in his own words, "legendary...musicologist of manifold endeavors [and] failed wunderkind." It also includes his "Invecticon," an index to the nasty words and phrases found in the book. This is a reprint of the 1953 edition with a new foreword by Peter Schickele who describes the collection as "funny and instructive." c. Book News Inc.

Arsene Lupin is a fictional gentleman thief who appears in a series of detective fiction and crime fiction novels by the French writer Maurice Leblanc. A contemporary of Sir Arthur Conan Doyle, Maurice Leblanc created the character of the gentleman thief who, in Francophone countries, has enjoyed a popularity as long-lasting and considerable as Sherlock Holmes in the English-speaking world. Celebrated for fashioning complex plots and ingenious puzzles, Leblanc ' s stories captured the imagination of thousands of readers across the world. Leblanc also wrote notable science fiction novels and he was awarded the L é gion d'Honneur for his services to literature. Translated by Alexander Teixeira De Mattos
