A thorough guide, *Varmint Rifles and Cartridges* provides detailed information about getting started in varmint hunting, selecting the best rifles for the job, and choosing your cartridges and other components. The text is supplemented by more than one hundred detailed photographs that illustrate the various types of rifles and cartridges available for varmint hunters. *Varmint Rifles and Cartridges* presents information about the history of varmint hunting and how those original rifles differ from the most popular rifles and cartridges available for varmint hunters on the market today. Each chapter of the book is dedicated to a particular cartridge, including the: .204 Ruger, .223 Remington, .220 Swift, .243 Winchester, .257 Roberts. At the end of each chapter, author C. T. Richards demonstrates how each cartridge and rifle performs through the results of range tests and trajectory tests he conducted himself. A varmint hunter since the 1950s, Richards is more than qualified to grade these products and offer advice on varmint hunting in general. The content of *Varmint Rifles and Cartridges* will appeal to readers considering varmint hunting for the first time, as well those who have previously acquired some experience in using these tools. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Reloading Guide

Ammunition reloading guide.

In *Reloading for Handgunners*, the reader will learn the benefits of serious handgun ammunition reloading (decreased cost, increased reliability) in an accessible, step-by-step way. In addition, the reader will learn how to avoid the costly, wasteful errors that plague many reloaders, experienced and novice alike. Finally, the reader will enjoy the vast experience and unique style that have made Patrick Sweeney the country's leading guru on tactical and competition shooting and ammunition. Features: Shortcuts, hints and tips (from a certified master gunsmith, film consultant, and certified Armorer Instructor) to reload your own ammunition and avoid costly errors Loading data for the most popular and asked-about calibers Specialty loading info for: Competition: IPSC/IDPA, Bullseye, Steel Challenge, Cowboy Hunting: heavy magnums and big bores

Metallic Cartridge Handloading covers all aspects of the reloading process: cartridge case; maintaining, improving and loading the case; seating and reading of primers; loading of propellant; bullets and loading of bullets; accurate load development; internal & external ballistics; bullet making & casting; and handloading press. This is not a reloading manual containing specific recipes for various loads; it is a how-to book that covers the entire detailed process of cartridge reloading.

This book can save your life! The best defense for any scenario is to be prepared. The Gun Digest Book of Combat Handgunnery prepares you for potential life-threatening situations with practical instruction and expert guidance. Author Massad Ayoob teaches you the skills to keep you and your family safe in any violent encounter, including: Selecting the right pistol, ammunition and holster How to use and accessorize your handgun Close-quarter battle techniques used by law enforcement and the U.S. military In addition to the tactical aspects of self-defense, Ayoob also covers practical information about selecting a used handgun and the legal aspects of self-defense with a firearm. Firearms technology and tactics change throughout the years, which is why the updated 6th edition of *The Gun Digest Book of Combat Handgunnery* is essential to the well-being of you and your family. Remember, your best defense is to be prepared.

This new 6th Edition has been thoroughly updated and includes the following: ♦♦ Expanded to over 1,000 pages and contains 100+ chapters! ♦♦ Over 1,675 individual cartridges/shotshells are listed with historical information in addition to cartridge images with dimensions! ♦♦ The increased 16-page color section now depicts over 320 current rimfire/centerfire cartridges and shotshells in actual size. ♦♦ 10 pages of comprehensive Indexes make finding

specific cartridges and information both quick and easy!♦♦Cartridge profiles/drawings and ballistic charts have been expanded to include all the new factory cartridges.♦♦Even Nosler's new cartridges have been included!

With more than seven million copies sold, this is the must-have reference book for gun collectors and firearm enthusiasts of all ages. Published annually for more than eighty years, the Shooter's Bible is the most comprehensive and sought-after reference guide for new firearms and their specifications, as well as for thousands of guns that have been in production and are currently on the market. Nearly every firearms manufacturer in the world is included in this renowned compendium. The 111th edition also contains new and existing product sections on ammunition, optics, and accessories, along with updated handgun and rifle ballistic tables and extensive charts of currently available bullets and projectiles for handloading. With a timely feature on the newest products on the market, and complete with color and black-and-white photographs featuring various makes and models of firearms and equipment, the Shooter's Bible is an essential authority for any beginner or experienced hunter, firearm collector, or gun enthusiast.

"Darren Levine has my unqualified support and gratitude for his contributions to Krav Maga." -Imi Lichtenfeld, founder of Krav Maga THE TOP-SELLING GUIDE TO KRAV MAGA IN AN UPDATED AND EXPANDED EDITION All the defense moves in Complete Krav Maga—from beginner Yellow Belt to advanced Black Belt—are described in depth and illustrated with step-by-step photos: • BEGINNER: Punches, kicks, knee strikes and defense movements • INTERMEDIATE: Counterattacks against knives, guns and sticks • ADVANCED: Advanced strikes and ground fighting techniques Based on the principle that it is best to move from defense to attack as quickly as possible, Complete Krav Maga teaches fast-escape maneuvers combined with powerful counterattacks. Whether you are big or small, male or female, young or old, you can use Krav Maga to protect yourself by exploiting an assailant's vulnerabilities.
